Dear Owasso Friends,

In the Gichagi Slum and surrounding impoverished areas, nearly 30,000 people live in extreme physical and spiritual poverty. Families lack access to clean water, food, healthcare, and job opportunities. Homes are makeshift, sanitation is poor, and many children face malnutrition and limited education. The struggles of the people are deep, but your long-time partnership has been bearing fruit.

Together, we've been working to meet both the immediate needs and long-term challenges of Gichagi's residents. Our center provides clean water, food, healthcare, and job training. Through sports outreach, we engage children, youth, and adults, teaching life skills and sharing the message of the Gospel of Jesus. Our efforts are making a difference, but there is more to be done.

We have a vision to expand impact by establishing the Hornsby Prayer & Equipping Hub at every Vapor center. This new hub will include a prayer war room, computer lab, library, and an upgraded outdoor pavilion for training. The hub will serve as a place to equip and deploy missionaries both locally and into less-reached West Africa, deepening our ministry's spiritual reach and empowering the community to spread the hope of Jesus.

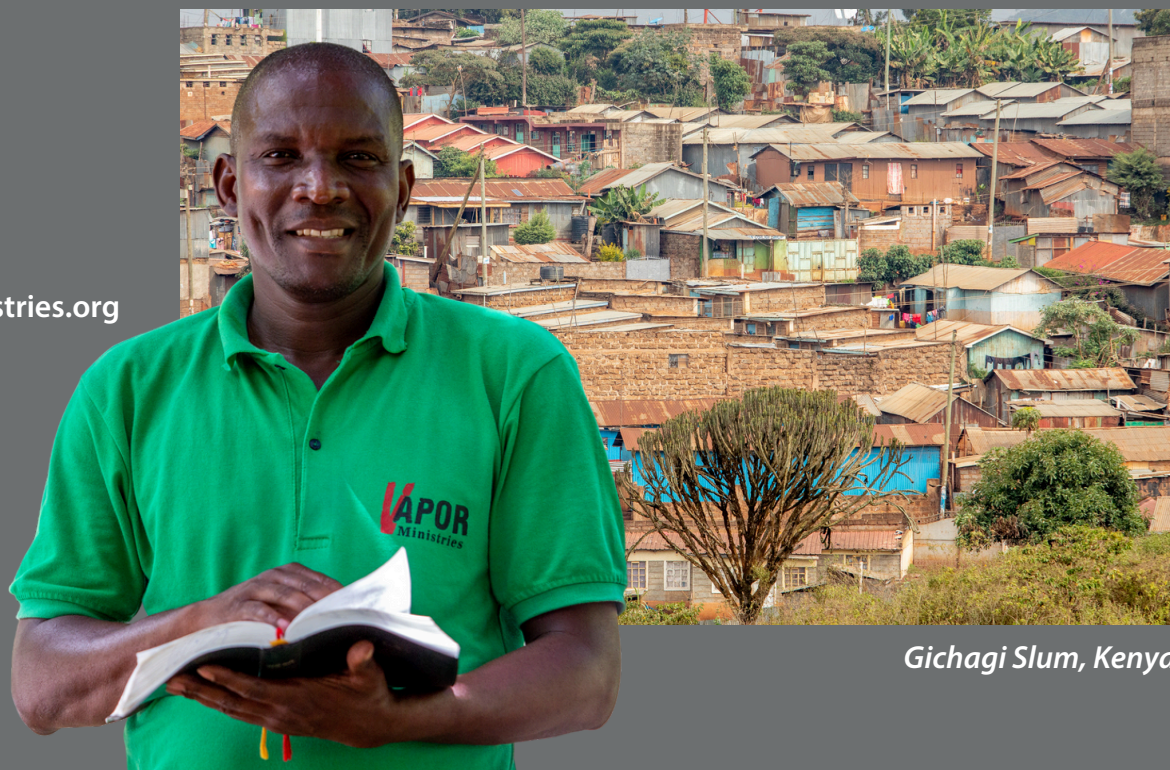

We're inviting you to partner with us in making this vision a reality. Your support will help us bring both immediate relief and lasting transformation to one of Kenya's most vulnerable communities.

Together, we can continue bringing hope and renewal to Gichagi's men, women, and children. Your partnership will impact generations to come.

Thank you for considering this opportunity to join us in this important work. Please feel free to reach out if you have any questions or would like to discuss this further.

Gichagi Slum, Kenya

The Prayer War Room: A Place of Power

At the heart of this initiative is our deep belief in the power of prayer. The Prayer Hub will feature a dedicated war room—an intimate, set-aside space where our team, community members, and Watchmen can seek God’s face in prayer, praise, and worship. This is where we will engage in 24-hour global prayer, interceding for the transformation of lives, communities, and nations. Through prayer, we will watch God move mightily in Gichagi and beyond.

The Equipping Hub: A Place of Empowerment and Missionary Training

Ingenuity and talent are not bound by geography. They exist in every corner of the world, even in the slums, where incredible potential often goes untapped due to a lack of opportunity. The Gichagi Slum is home to many capable and driven individuals who have yet to experience the fullness of what God has placed within them. Holistic, life-transforming community restoration is not possible if the local workforce does not have the necessary training and skillset to lead the work. Technical skills for specific career paths, books in local languages, and access to technology allow the seedlings of deep-rooted change to be planted.

Transformation extends not only within the local community but also beyond its borders. The Equipping Hub will be a means to prepare and deploy missionaries who will carry the Gospel into other regions. This center will become a strategic launching pad for men and women called to serve Christ on a global scale. Through intensive discipleship, language development, and practical ministry training, these individuals will be empowered to bring transformation to other regions, including less-reached West Africa, carrying with them the life-changing message of Jesus Christ.

Your Eternal Impact

The people of Gichagi, though living in material poverty, have a rich spiritual hunger and a vast well of untapped talent. By providing this hub, you are helping to unlock their potential for the glory of God. You are giving them the tools to rise above the challenges of their environment, grow in their relationship with Christ, and become agents of change in their own communities and beyond.

By prayerfully considering this proposal, you are not just funding physical buildings—you are creating a legacy of transformed lives. You are investing in the eternal souls of men, women, and children who will come to know the Lord, be equipped for service, and go on to impact the Kingdom of God in ways we can only begin to imagine.

Thank you, Owasso Friends, for your unwavering commitment to advancing the Gospel and your heart for the lost. We ask that you would walk with us in this journey of transformation, as we equip and pray our way into even greater impact for the Lord.
