Dear Friends,

Vapor Ministries is profoundly grateful for the opportunity to work with partners like you, whose commitment to transformation enables us to serve impoverished communities. Part of our sustainable model includes small businesses that provide affordable goods and services, give employment opportunities, increase knowledge in business and life skills, and generate revenue for ministry operations. One of our most impactful small businesses has been the operation of a fitness center at our Kawangware, Kenya center, which provides affordable health and fitness services, essential community support, and a platform for sharing the Gospel.

With the need to repurpose the current gym space into the Hornsby Prayer & Equipping Hub, we plan to relocate and expand to Hope Church, adjacent to our center. This move is a pivotal step that allows us to better serve the community with increased space and enhanced facilities.

The existing gym space is not only required for the new prayer and equipping hub but has also proven too small to accommodate the growing number of clients seeking affordable fitness and rehabilitation services. This relocation project is a unique opportunity to expand our impact and continue transforming lives in Kawangware. Your support will enable us to establish a facility that improves health, provides jobs, and strengthens the community fabric while advancing the mission of Vapor Ministries.

Thank you for considering this opportunity to make a lasting difference. Together, we can empower a community, one life at a time.

More Than a Fitness Center: Building Health AND Hope

Your partnership in this project leaves a multi-faceted legacy:

1

HEALTH AND FITNESS SERVICES

By providing accessible fitness services, the gym promotes overall wellness and health education among residents. It also serves as a physiotherapy space where local doctors refer patients needing physical rehabilitation support.

2

SPIRITUAL OUTREACH

As a faith-centered organization, we use the gym as a platform to share God's word helping individuals strengthen both body and spirit. Our partnership with Hope Church provides a natural bridge for outreach, fostering deeper connections with community members and uplifting the local church.

3

KNOWLEDGE SHARING

The gym will host workshops and training sessions, sharing fitness, health, and wellness education aligning with our mission of holistic transformation.

4

ECONOMIC EMPOWERMENT

The fitness center creates jobs for locals and contributes to economic development by sourcing products and services from nearby merchants.

5

COMMUNITY AND CONNECTION

Members find community and provide mutual support, fostering resilience and solidarity within the neighborhood. It has become a supportive community space where members help each other, especially during personal hardships such as funerals.

6

PROMOTION OF VISION AND MISSION

The gym models our sustainable approach to community-focused development while generating revenue to support our ministry activities: disciple multiplication, clean water provision, feeding programs, and health service accessibility.

Financial Projection and Timeline

10-Year Revenue Projection

Yr 1	Yr2	Yr 3	Yr 4	Yr 5	Yr 6	Yr 7	Yr 8	Yr 9	Yr 10
\$15k	\$24k	\$28k	\$34k	\$36k	\$50k	\$60k	\$65k	\$70k	\$75k

We project over \$450k in revenue in the first ten years of operation.

Your Eternal Impact

By investing in this relocation and expansion, you are not only helping to build a gym; you are building a beacon of hope, health, and healing for an entire community. Your support will create immediate impact by providing accessible fitness and physiotherapy, meaningful jobs, and a gathering space where individuals find encouragement, resilience, and faith.

But the effect of your generosity extends far beyond the immediate. Through this facility, each person who walks through its doors has an opportunity to encounter the Gospel, experience the love of Christ, and connect with a supportive community. This foundation of physical and spiritual wellness will resonate for generations to come, impacting lives, families, and the community as a whole.

Your partnership enables Vapor Ministries to carry out the Great Commission—offering not just temporary relief but an invitation to eternal hope. Together, we can make an immediate and eternal difference in Kawangware, bringing transformation to lives now and in the Kingdom to come. Thank you for considering this powerful opportunity to leave a legacy of impact.
